- Provide administrative assistance to information technology team

Education:

M.Sc. Artificial Intelligence Abu Zaria 2021 – Current

B.Sc. Computer Science Umaru Musa Yar'adua University, Katsina 2016 – 2019

Hard Skills

- PowerBI, Tableau and Excel
- Data Collection
- Data Mining
- Data Modelling
- Database Management
- Data Warehousing
- Data Visualization
- Data Analytics
- Pandas, Numpy, Matplotlib, Seaborn and Scikit-learn.
- Machine Learning algorithms
- Python Programming
- R programming
- Java, C++, C# and JavaScript
- MySQL, PosqresSQL, MSSQL and MongoDB
- Big-data and Hadoop

Soft Skills:

- Time management
- Project management
- Attention to details
- Critical thinking
- Problem solving
- Organizational skills
- Interpersonal skill
- Written and verbal Communication skill
- Teamwork and collaboration
